Clip Frames:

'Stock mouldings' (left) refers to a ½ inch or ¾ inch black wooden frame which can be cut to any size the customer requires (a ½ inch and ¾ inch mid brown and a natural wood are also available at these prices and a thin gold). Therefore, the prices are a guide line if this is required.

(From far left) The other frames are: clipframes (glass & backing) and a metal stock frame. (metal comes in Black, Gold or Silver)

NB. All prices do not include an assemble charge.
